Invitation

Dear Sport Friends,

Because of the pandemic restrictions, the Olympiad was postponed by decision of the FCI board to take place from the 12th to 14th of August 2022 in Oradea. Due to replanning all the organizational aspects, we kindly ask to reconfirm your participation at the contact and the conditions presented below.

National Pigeon Fanciers Federation of Romania is honored to have been selected as the host of the next Pigeon Olympiad, for the first time since its foundation in 1937 and member of the FCI since 1969.

The host city of the Olympiad **was changed from Bucharest into Oradea**, due to the better location on the western border, thus being more easily accessible for the participating countries.

The Pigeon Olympiad is supported by the Government and the local authorities in Oradea will offer their help for the success of this event. The event will exhibit the most valuable pigeons in the world, famous fanciers and the biggest companies in pigeon sport will exhibit their offers.

The Romanian Federation will use an innovative system of sending in the results of the exhibited national teams of pigeons, the judges and the delegates of the participating countries. All the confirming participating countries, with or without exhibited pigeons, will receive a password by means of which access on the Olympiad landing page will be granted in order to fill in the forms for the participating delegates and the result sheets of the national Olympic teams.

Romanian Federation will ensure 2 hotel rooms and gala dinner tickets for the federations who will **take part with the teams of pigeons**. All the extra tickets and hotel rooms will be available for sale on the Olympiad landing page.
